How to make your Gift of Securities to the Meaford Hospital Foundation:

1. Obtain a copy of this “Donor Authorization to Broker” from the Foundation by calling 519-538-1311 ext. 4208. This is your instruction to your broker to transfer securities “in kind” to the Foundation.
2. Complete all sections of the authorization form, especially the CUSIP # (provided by your broker/ investment advisor and acts like a transaction number in case the transfer needs to be tracked). For privacy reasons, your broker cannot disclose your name to us, so please complete the Donor/Client Information, including your daytime phone number.
3. Provide your completed authorization to your broker/investment advisor who will initiate and be responsible for the transfer.
4. Please notify the Meaford Hospital Foundation by returning a copy of this form to the Foundation either in person, or by emailing a PDF or JPG. Notifying us will ensure you receive our thanks, appropriate recognition and your official receipt for income tax purposes in a timely manner. Copies should be emailed to mhfoundation@gbhs.on.ca.

Additional Information:

Your receipt will be valued based on the closing price of the securities on the day they are received into the Foundation’s brokerage account at BMO Nesbitt Burns. The Meaford Hospital Foundation’s policy is that all securities donated will be sold as soon as possible after they have been received.

If you plan to donate securities that are thinly traded, volatile or not easily liquidated, please call us before initiating the transfer. All gifts are subject to review, approval and acceptance by the Foundation.

About the Meaford Hospital Foundation:

The Meaford Hospital Foundation was established to raise, receive and manage money for the purpose of purchasing capital equipment and building improvements at Meaford Hospital and Owen Sound Regional Hospital. This role is critical to our hospitals’ viability since the government provides almost no funding for equipment. The Foundation contributes between \$300,000 and \$400,000 per year for medical equipment. It is governed by an elected Board of Directors, all of whom are community volunteers.
