

THANK YOU FOR CARING FOR TOMORROW

WELCOME!

Our “Caring for Tomorrow” Society is a growing group of supporters who have included the Meaford Hospital Foundation in their estate plans, either with a Will gift or other legacy. Society membership is our opportunity to thank and recognize you for your generous future intention. As a member, you receive an exclusive lapel pin and will be listed as a Society member on the recognition display in our Hospital lobby. You will also receive invitations to attend special events at the hospital.

Thank you for planning your special gift! We hope you will share a little about yourself and why you are leaving a gift to the hospital in your Will / Estate plan.

Your sharing will enable us to thank you properly and know something about why you made your gift when it is received some time in the future. We value your privacy, sharing publicly only when you permit us to. Please feel free to attach additional information or photos.

ABOUT THE MEAFORD HOSPITAL FOUNDATION:

The Meaford Hospital Foundation was established to raise, receive and manage money for the purpose of purchasing capital equipment and building improvements at Meaford Hospital and Owen Sound Regional Hospital. This role is critical to our hospitals' viability since the government provides almost no funding for equipment. The Foundation contributes between \$300,000 and \$400,000 per year for medical equipment. It is governed by an elected Board of Directors, all of whom are community volunteers.
