

THANK YOU FOR CARING FOR TOMORROW

WELCOME!

Our "Caring for Tomorrow" Society is a growing group of supporters who have included Brightshores Meaford Hospital Foundation in their estate plans, to receive a Will gift or other legacy gift. Society membership is our opportunity to thank and recognize you for your generous future intention. As a member, you receive an exclusive lapel pin and will be listed as a Society member on our display in the Hospital lobby. You will also receive invitations to attend events at the Hospital from time to time.

Thank you for planning your special gift! We hope you will share a little about yourself and why you are leaving a gift to the Hospital in your Will/Estate plan. Sharing will enable us to thank you properly and know something about why you made your gift when it is received in the future. We value your privacy, sharing publicly only if you permit us to. Feel free to attach additional information or photos!

ABOUT BRIGHTSHORES MEAFORD HOSPITAL FOUNDATION:

Vision: Advancing healthcare close to home.

Mission: Building healthier communities by supporting Brightshores Health System.

We enhance the delivery of high-quality healthcare by raising funds for such things as diagnostic and medical equipment, infrastructure improvements and clinical staff training at Brightshores Health System Meaford Hospital. Furthermore, we adopt a regional approach through our relationships with Brightshores and sister foundations that serve the broader population of Grey and Bruce Counties.
